(Meal Plan: None)

Around 10:00am, you will be met at the hotel and start your private journey from Lima to Paracas (with Spanish speaking driver only). After 4-hour drive, you will arrive in Paracas. Rest of the remaining day is free at leisure to enjoy the hotel in Paracas. Overnight.

DAY 2 PARACAS – LIMA

(Meal Plan: Breakfast)

Check out at the hotel

Early in the morning, the exciting two-hour boat ride aboard on a roofed cruise vessel is the perfect way to explore the fragmented Ballestas Islands, known for their abundance of sea lion colonies and families of chattering Humboldt Penguins. The islands are often described as a so-called 'mini Galapagos' due to the unusually high levels of coastal wildlife which lives here. Along the way, you will pass the 'Candelabro'; a giant geoglyph carved into the desert dunes, though flawlessly visible from the water. Little is known as to the origins or meaning of this ancient creation, with its appearance not dissimilar to that of the more famous Nasca lines, adding a little archaeological intrigue into the excursion. The main event, however, is, of course, the wildlife, so sit back and enjoy the ride along this intriguing section of Peruvian coastline. Once back on dry land, hot drinks and cookies are provided to round things off perfectly.

Head down to Pisco airstrip and take a 1.5-hour flight over the Nasca Lines aboard a modern small airplane. During the flight you can see and take pictures of the most famous figures: The Condor, the Hummingbird, and many more. Best viewed from the air, these huge geometric patterns and hundreds of perfectly straight lines were carved into the desert sand, by the Nasca people centuries ago.

Return to your hotel in Lima, you will depart on your private journey (with Spanish speaking driver only).
