PUNO
(3 Days / 2 Nights)

EXTENSION VALID FOR THE 4-DAY AND 5-DAY CUSCO PROGRAM ONLY

MAY 2022

DAY 1 CUSCO – PUNO

(Meal Plan: Lunch)

This morning, a ten-hour bus trip takes you through picturesque Andean landscapes dotted by small villages and herds of llamas and vicunas. Your final destination is Puno, however you make three important stops along your way: the first one is Andahuaylillas known by its baroque church dating from the 17th century. Then your tour continues to Raqchi to visit the Viracocha Temple. This was the only Inca temple featuring cylindrical columns covered by fine clay layers. Lunch will be served in a typical restaurant en route. Then, you reach La Raya pass (4,335 m/ 14,172 ft) where you enjoy a panoramic view of the snow-capped Andes, before the last leg of the trip takes you to Puno on the shore of Lake Titicaca.

Upon arrival, you will be picked up from the bus station and privately escorted to your hotel by the lake.

Supplement: For Private transportation and guidance from Cusco to Puno instead of Tourist bus

Supplement: For Titicaca Luxury train from Cusco to Puno instead of Tourist bus

Operativity in May 2022: Only Wednesday and Friday except on May 20th

The spectacular rail journey today begins in historic Cusco and travels south to the city of Puno, on the shores of the beautiful Lake Titicaca. This train journey cuts across the formidable Peruvian Altiplano. The first half of the full day journey is dominated by the magnificent Andean mountains which towers over the deep valleys of the meandering Huatanay River. It then reaches the gentler, rolling Andean Plains, where vicuña and alpaca can be seen. The observation car with bar will provide the perfect opportunity to view the beautiful scenery. A gourmet lunch will be served on board of one of the four dining cars. Traditional dances and music will be presented during the journey to make the special experience complete.

DAY 2 PUNO

(Meal Plan: Breakfast & Lunch)

Your excursion by speed boat starts with a visit to one of the floating reed islands of the Uros before heading to island of weavers Taquile. Unlike in the classic tour, this option offers a reduced time en route (e.g. 75 min from Taquile to Puno versus 2 hrs 30 min aboard the traditional boat) making your experience in the lake more pleasant. Your boat tour includes a meal prepared with local fish and fresh produce from the Andes (excursion by boat together with other travelers but with private guide on board).

DAY 3 PUNO – JULIACA – LIMA

(Meal Plan: Breakfast)

At proper time, you will be picked up from your hotel in Puno and privately escorted to the airport in Juliaca (1 hour away) for your upcoming flight back to Lima (air ticket is not included). En route short visit of the burial towers in Sillustani. The engineering involved in their construction challenge the law of gravity; the diameter at the top is larger than the diameter at the base. Sillustani is partially encircled by Umayo Lake, offering us a beautiful landscape. We then join a local family from Sillustani in their courtyard to learn more about their lifestyle, Andean crops and traditions. Continue our trip to Juliaca's airport.
